Dear Sir or Madam,

In accordance with the implementation of the FATCA Agreement¹ your bank is required to disclose information to the US Internal Revenue Service (IRS), particularly concerning US accounts.

In this context and in accordance with Article 3 Paragraph 1 letter b of the FATCA Agreement your bank sent you a declaration of consent to which this letter for the transmission of your account information to the IRS is attached to.

By returning the validly signed declaration of consent to your bank, you authorize your bank to communicate your account information to the IRS directly. This consent is irrevocable for the present calendar year and unless expressly revoked it will extend to each following year automatically.

Please note, that if the bank does not receive your declaration of consent by the mentioned date, or if you do not submit your US TIN by the same date, your account will be considered a "Non-Consenting US Account". The bank will be legally obliged to report the quantity of the accounts and the total amount on all "Non-Consenting US Accounts" by the end of January 2015, without mentioning the identity of the clients concerned.

Based upon this information and in accordance with Article 5 of the FATCA Agreement, the IRS has the possibility to submit a group request for administrative assistance regarding "Non-Consenting US Accounts" to the Swiss competent authority. Such requests are based on

¹ FATCA Agreement between Switzerland and the United States of America, signed on February 14, 2013 (www.news.admin.ch/NSBSubscriber/message/attachments/29633.pdf) was based on the FACTA-Timeline as of January, 1, 2014 and therefore needed an adjustment to the new timeline. The FATCA-Timeline was amended in September 2013 in accordance with the exchange of notes (<http://www.news.admin.ch/NSBSubscriber/message/attachments/32201.pdf>). Swiss financial institutions have to apply FATCA now from July 1, 2014 instead of from January 1, 2014.

Article 26 of the Convention for the Avoidance of Double Taxation (the "Convention") between Switzerland and the United States of America, as was amended through the Protocol of September 23, 2009. Such a request may be made once the amendments have entered into force.

In view of the mentioned information, we would like to inform you below of the procedure under Article 12 of the Federal Act of September 27, 2013 on the application of the FATCA Agreement between Switzerland and the United States of America (FATCA Law) for such group requests:

The receipt of a group request will be published in the Swiss Federal Gazette as well as on our website www.estv.admin.ch. At the same time of the publication we will request the bank to provide us with all the relevant documents of all the "Non-Consenting US Accounts". You have the possibility to request a copy of the documents from the bank at any time, from which it concluded that you qualify as a US person and submit counter arguments. Within the set time limit you will also have the opportunity to submit a **statement regarding the transmission of your account information** to the IRS. We will take into account the possible submitted statement when drafting the final decision, which will take place approximately two to three months after receipt of the group request.

The final decision will be published anonymously in the Federal Gazette as well as on our website. The persons concerned have the possibility to obtain the final decision concerning themselves from the FTA.

The FTA's final decisions can be appealed to the Swiss Federal Administrative Court (FAC) **within 30 days** of the publication. A copy of the appeal must be sent to us at the same time.

If we conclude that an appeal is justified, we will reconsider the final decision and not transmit the information. If, however, we conclude that an appeal is unfounded, we will submit a motion to dismiss to the FAC. The FAC will then decide on the granting of administrative assistance and with it on the transmission of the information. The decision of the FAC is final.
